Recent changes in North American trade policies have introduced new tariffs on various imported goods. Specifically, the U.S. has imposed a 25% tariff on imports from Canada and Mexico, affecting products that do not meet the United States-Mexico-Canada Agreement (USMCA) origin rules. Additionally, certain Canadian imports, including energy products, face a separate 10% tariff.

We are actively monitoring the situation and working to mitigate any potential disruptions to ensure we continue to provide high-quality products and services to our customers. In some instances, it may be necessary for Ring Power to pass along these increased costs and will communicate the potential impact as soon as reasonably known. We appreciate your understanding and support as we navigate these changes

Quotation in accordance with Ring Power's understanding of drawing E-2 Riser Diagram and Floor plan on A-8. Ring Power takes specific exceptions or deviation to the following specifications and any specifications not available at time of quotation.
Revision 02/13/2026 to upgrade tank and stair package

Pricing reflects Florida Sheriff's Association Contract FSA23-EQU21.1.

Notes:

1. Sales tax is not included.
2. Pricing includes start-up, testing, and customer training.
3. Audio and video recording of training is not permitted.
4. All labor is assumed during standard working hours (Mon–Fri, 8:00 AM–5:00 PM); after-hours labor will incur additional charges.
5. Equipment provided is limited to the Bill of Materials (BOM) and scope described in this proposal. Exceptions apply to any specifications or drawings not available at the time of quotation.
6. Pricing assumes that the generator and ATS will be commissioned at the same time under a single mobilization, separate commissioning to be performed at additional cost.
7. Warranty coverage for non-Caterpillar equipment begins upon shipment from the original manufacturer.
8. Installation, labor, conduit, wire, equipment offloading, anchor bolts, pads, fuel, and fuel piping are not included.
9. Specialized testing (NETA, infrared, emissions, etc.) is excluded unless specifically listed in this proposal.
10. Coordination studies, arc flash analysis, and protective settings are excluded. Relay and circuit breaker settings must be determined and implemented by others.
11. Ring Power Corporation does not participate in Contractor Controlled Insurance Programs (CCIP).

FSA23-EQU21.0: Equipment

Contract Renewal

October 1, 2025, through September 30, 2026

The Terms and Conditions of this contract allow for modification via contract amendment as provided for in Section 1.23. The effective dates of the contract term for FSA23-EQU21.0 are October 1, 2023, through September 30, 2025. Per Contract Terms and Conditions, Section 3.05, the contract may be renewed by mutual agreement, initiated at the discretion of the FSA (Florida Sheriffs Association), for up to two additional one-year terms on a year-to-year basis. The Florida Sheriffs Association Cooperative Purchasing Program seeks to renew FSA23-EQU21.0 for a one-year term. The contract term will extend from October 1, 2025, through September 30, 2026.

Please sign and return this contract renewal acknowledgment prior to May 31, 2025.

Any vendor not in agreement may opt out of the extra contract term before September 30, 2025.

For questions regarding this contract extension, please email Sarrah Carroll at scarroll@flsheriffs.org.
