III. APPLICABLE CRITERIA / CONSIDERATIONS

A. Land Use Designation / Comprehensive Plan Policies:

1. Land Use Purpose / Intent:

This category is intended primarily for a wide variety of industrial uses and compatible retail, wholesale, distributing operations, and residential in limited situations, together with accessory uses and public facilities customary to or required for such an environment.

2. Key Standards:

Permitted Uses Not Subject to Acreage Thresholds – Office; Research/Development-Light; Research/Development-Heavy; Storage/Warehouse/Distribution-Light; Storage/Warehouse/Distribution-Heavy; Manufacturing-Light; Manufacturing-Medium; Incinerator Facility.

3. Relevant Policies:

POLICY PW 1.3.1

The Public Works Department shall analyze the condition and adequacy of any water distribution system that the City may inherit through annexation and prepare cost estimates for upgrading those systems to meet City requirements.

POLICY SW.1.3.1

The City shall make available at the time of annexation solid waste collection service or require proof of existing service by a licensed solid waste collection service.

POLICY ICE.1.11.1

Continue to evaluate areas for potential joint planning and annexation consistent with the interlocal agreement between Pinellas County and the City of Pinellas Park, which details the Pinellas Park Planning Area (annexation boundary). Consider costs and benefits for both Pinellas Park and the adjacent unincorporated areas under consideration.

POLICY ICE.1.11.2

Coordinate with Pinellas County and other jurisdictions, as appropriate, to implement an annexation process which will include the following:

- a. Advance notice of all annexations to the respective parties of interest;*
- b. Accurate legal descriptions for properties proposed to be annexed;*
- c. Compliance with State law for contiguity, compactness, enclaves, and procedures for annexation agreements/indentures;*
- d. A determination of the City's ability to serve the area proposed for annexation;*

The proposed City Future Land Use designation of IL provides for a density that is consistent with the current County Future Land Use category. The subject property is located within the boundaries of the Annexation Planning Area Agreement as coordinated with Pinellas County, and all procedures are being followed. The subject property will continue to be served by County water, sewer, and solid waste services. Staff finds that the proposed annexation is consistent with the City's adopted Comprehensive Plan.

B. Zoning District / Land Development Code Standards:

1. Zoning District Purpose / Intent:

Section 18-1524. – “M-1” LIGHT INDUSTRIAL DISTRICT

Sec. 18-1524.1. - STATEMENT OF INTENT. *The "M-1" Light Industrial District is established in order to identify and provide those geographic areas within the City of Pinellas Park that are appropriate for the development and maintenance of a light industrial environment, which does not create hazardous or other serious detrimental effects upon the public health in the surrounding areas. This district is intended primarily for a wide variety of industrial uses and compatible retail, wholesale, distributing operations, and in limited situations as provided in (B) below, single and multi-family dwellings, together with accessory uses and public facilities customary to or required for such an environment.*

Areas of the City for which this zoning category is appropriate are designated on the Land Use Plan Map as Industrial Limited (IL) or Community Redevelopment District (CRD) Land Use Plan Map Categories.

2. Key Standards:

Sec. 18-1501.13. - ZONING OF ANNEXED PROPERTIES.

Property heretofore or hereafter annexed to the City shall be given the zoning classification which most closely relates to the Pinellas County zoning classification in effect at the time of such annexation, and the Official Zoning Map shall be amended or posted accordingly. Should a petition for annexation include a request for a zoning classification other than that which most closely relates to the Pinellas County zoning classification in effect for said property at the time said petition is filed, City Council may, in its sole discretion: refer said petition to the Planning and Zoning Commission for its recommendation; pass the proposal for said annexation of the property at the zoning requested in the petition; or deny the proposal. Any rezoning of an annexed area shall be consistent with F.S. § 171.062(2), as may be amended from time to time, which provides that if an annexed area was subject to a county land use plan and county zoning or subdivision regulations, these regulations remain in full force and effect until the municipality adopts a comprehensive plan amendment that includes the annexed area.

Sec. 18-1524.4. - DIMENSIONAL AND AREA REGULATIONS.

(A) MINIMUM LOT REQUIREMENTS.

- (G) **MINIMUM BUILDING SEPARATION.** *Must meet Florida Building Code separation requirements.*

2. Staff Analysis:

The current zoning designation of the subject property within Pinellas County is Employment-1 (E-1), which is consistent with the City's Light Industrial (M-1) Zoning District.

Staff finds the Light Industrial (M-1) Zoning District to be the most appropriate and compatible zoning designation for the subject property.

C. Project Application Review Committee (PARC) Comments:

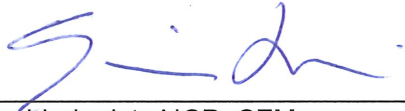

The application was discussed at the August 19, 2025 PARC meeting by all relevant departments/divisions. Concerns were raised by Code Compliance regarding outdoor storage of materials, including chemicals, and gravel drive aisle.

IV. SUMMARY

A. Findings:

Based on the information and analysis contained in this report, staff finds as follows:

1. The subject property is contiguous to the City and meets all of the annexation requirements set forth in Florida Statute 171.044.
2. The IL Future Land Use designation has been determined the most appropriate for this property
3. The proposed annexation is consistent with the Land Development Code and the Goals, Objectives, and Policies of the adopted Comprehensive Plan.
