III. APPLICABLE CRITERIA / CONSIDERATIONS

A. **Land Use Designation / Comprehensive Plan Policies:**

1. **Land Use Purpose / Intent:**

To depict areas that are now developed, or appropriate to be developed, in a low density or moderately dense residential manner and to recognize such areas as primarily well-suited for residential uses that are consistent with the suburban qualities; transportation facilities, including transit; and natural resources of such areas.

2. **Key Standards:**

Permitted Uses Not Subject to Acreage Thresholds – Residential; Residential Equivalent; Vacation Rental pursuant to the provisions of Section 509.242(1)(c), F.S.; Accessory Dwelling Unit; Public Educational Facility; Recreation/Open Space; Community Garden.

3. **Relevant Policies:**

POLICY LU.1.5.1

Develop annexation strategies consistent with policies associated with Objective ICE.1.11 of the Intergovernmental Coordination Element and Pinellas County Code of Ordinances.

POLICY PW 1.3.1

The Public Works Department shall analyze the condition and adequacy of any water distribution system that the City may inherit through annexation and prepare cost estimates for upgrading those systems to meet City requirements.

POLICY SW.1.3.1

The City shall make available at the time of annexation solid waste collection service or require proof of existing service by a licensed solid waste collection service.

POLICY ICE.1.11.1

Continue to evaluate areas for potential joint planning and annexation consistent with the interlocal agreement between Pinellas County and the City of Pinellas Park, which details the Pinellas Park Planning Area (annexation boundary). Consider costs and benefits for both Pinellas Park and the adjacent unincorporated areas under consideration.

POLICY ICE.1.11.2

Coordinate with Pinellas County and other jurisdictions, as appropriate, to implement an annexation process which will include the following:

- a. Advance notice of all annexations to the respective parties of interest;*
- b. Accurate legal descriptions for properties proposed to be annexed;*
- c. Compliance with State law for contiguity, compactness, enclaves, and procedures for annexation agreements/indentures;*
- d. A determination of the City's ability to serve the area proposed for annexation;*
- e. Mutually acceptable agreements to provide selected services where it is beneficial to the citizenry and cost-effective to do so in lieu of annexation; and*
- f. A requirement for consistency with the Comprehensive Plan at the time of annexation.*

POLICY ICE.1.11.3

Provide a copy of the City's published or posted notice of annexation, via certified mail, to the Board of County Commissioners as required by Section 171.044(6), F.S.

4. Staff Analysis:

The proposed Future Land Use designation RL has been found to be the most compatible with adjacent and surrounding land uses. The proposed City Future Land Use designation of RL provides for a density that is consistent with the current County Future Land Use category. The subject property is located within the boundaries of the Annexation Planning Area Agreement as coordinated with Pinellas County, and all procedures are being followed. The subject property will continue to be served by County water, sewer, and solid waste services. Staff finds that the proposed annexation is consistent with the City's adopted Comprehensive Plan.

single-family detached dwellings and large lot duplex dwellings. Such development to include accessory uses and public facilities customary for such an environment. This district is appropriate for areas designated on the Official Land Use Plan Map as Residential Low Medium (RLM), Residential Medium (RM), or Community Redevelopment District (CRD).

2. Key Standards:

Sec. 18-1501.13. - ZONING OF ANNEXED PROPERTIES.

Property heretofore or hereafter annexed to the City shall be given the zoning classification which most closely relates to the Pinellas County zoning classification in effect at the time of such annexation, and the Official Zoning Map shall be amended or posted accordingly. Should a petition for annexation include a request for a zoning classification other than that which most closely relates to the Pinellas County zoning classification in effect for said property at the time said petition is filed, City Council may, in its sole discretion: refer said petition to the Planning and Zoning Commission for its recommendation; pass the proposal for said annexation of the property at the zoning requested in the petition; or deny the proposal. Any rezoning of an annexed area shall be consistent with F.S. § 171.062(2), as may be amended from time to time, which provides that if an annexed area was subject to a county land use plan and county zoning or subdivision regulations, these regulations remain in full force and effect until the municipality adopts a comprehensive plan amendment that includes the annexed area.
