

ANNEXATION AGREEMENT

THIS AGREEMENT made and entered into this ____ day of _____, 2025, by and between the **CITY OF PINELLAS PARK, FLORIDA**, a municipal corporation, hereinafter referred to as “CITY”, Kayelin Blanchard, hereinafter referred to as “OWNER” (*“OWNER” is used herein for singular or plural, the singular shall include the plural, and any gender shall include all genders, as context requires*). “CITY” and “OWNER” are hereinafter collectively referred to as the “Parties” hereto. This Agreement shall be deemed to be entered into, dated and effective upon its execution by the mayor and approved by the City Attorney of Pinellas Park, after City Council action approving of this Agreement.

WITNESSETH:

WHEREAS, the OWNER fully warrants that they are the fee simple OWNER of the real property described and depicted in Exhibit “A” attached hereto (hereinafter referred to as “Property”), which is presently located in an unincorporated area of Pinellas County; and

WHEREAS, the Parties have determined that annexation of the Property would be beneficial to both Parties, and the Property currently does meet the requirements for voluntary annexation into the CITY as required by Florida Statutes, Chapter 171; and

WHEREAS, the OWNER desires that the Property be annexed into the municipal boundaries of the CITY, and the CITY desires to annex the Property (Case No. AX-2024-00005).

NOW, THEREFORE, FOR GOOD AND VALUABLE CONSIDERATION, receipt of which is hereby acknowledged by both Parties, it is hereby agreed by and between the Parties as follows:

1. All of the above recitals are incorporated herein and made a part hereof.
2. The OWNER shall forthwith execute and deliver to the CITY a Petition for Voluntary Annexation in accordance with Florida Statutes, Chapter 171. Further, the OWNER shall, when requested to do so by the CITY, perform all such actions as may be necessary to execute and complete the Voluntary Annexation by the CITY of the Property. The CITY shall, after the completion of such actions, commence the appropriate voluntary annexation proceedings.
3. Prior to annexation of the said Property by the CITY, the OWNER shall be permitted to commence and/or to proceed with the development of the said Property in strict accordance with the legal requirements of Pinellas County, Florida. However, upon annexation, all further or

continuing development of the said Property (regardless of when the same is commenced) shall strictly comply with all applicable CITY ordinances, resolutions, and codes, including site plan review procedures for each individual structure. Nothing herein shall be construed to excuse or release OWNER from compliance with the applicable laws, rules, and regulations of any other governmental entities, including but not limited to legal requirements for obtaining environmental permits.

4. At the time of annexation, the CITY will convert the then-existing County zoning of Residential Mobile/Manufactured Home (RMH) and land use classification of Residential Low (RL) to the CITY zoning of Duplex Residential (R-4) and land use classification of Residential Low Medium (RLM).

5. Nothing in this Agreement or otherwise shall be construed as requiring the CITY to construct or install any water or sanitary sewer lines or other improvements of any kind upon the above-referenced Property.

The following constitute special provisions herein:

1. Within ninety (90) days of annexation, the OWNER will deed the west seven and a half (7.5) feet of the property to the CITY for right-of-way as shown in Exhibit "B".

The following constitute miscellaneous provisions herein:

1. The OWNER further acknowledges that this Agreement shall be recorded in the Public Records of Pinellas County, Florida, and shall constitute a covenant running with the Property.

2. This Agreement shall be binding upon the Parties, their successors, assigns, and legal representatives; provided, however, that nothing herein shall be construed to prevent the sale or other transfer of the Property by OWNER or any of its successors in title subject to the provisions hereof.

3. This document embodies the whole agreement of the Parties. There are no promises, terms, conditions, or allegations by either Party other than those contained herein; and this document shall supersede all previous communications, representations, and/or agreements, whether written or verbal between the Parties hereto. This Agreement may be modified only in writing executed by the Parties and/or their successors in title, as the case may be modified only in writing executed by the Parties and-or their successors in title, as the case may be.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed on the day and year first above written.

RE: City Document #24-309
Annexation Agreement for 6243 67th Lane North, AX-2024-00005

Dear Mr. Reeves:

Our office has received and reviewed the above-referenced Annexation Agreement for the property located 6243 67th Lane North (Case No. AX-2024-00005). As this property is owned by one individual, Kayelin Blanchard, the "Owner 2" signature lines on page 3 of the Agreement may be removed. Additionally, we would recommend that an address line for the witness be included so as to maintain consistency with our previous Annexation Agreements.

Other than the above changes, and assuming that the legal descriptions and sketches contained in Exhibits A and B are correct, our office would approve of the proposed Annexation Agreement as to form and correctness.

Very truly yours,

James W. Denhardt

To depict areas that are now developed, or appropriate to be developed, in a low density or moderately dense residential manner and to recognize such areas as primarily well-suited for residential uses that are consistent with the suburban qualities; transportation facilities, including transit; and natural resources of such areas.

2. **Key Standards:**

Permitted Uses Not Subject to Acreage Thresholds – Residential; Residential Equivalent; Vacation Rental pursuant to the provisions of Section 509.242(1)(c), F.S.; Accessory Dwelling Unit; Public Educational Facility; Recreation/Open Space; Community Garden.

3. Relevant Policies:

POLICY LU.1.5.1

Develop annexation strategies consistent with policies associated with Objective ICE.1.11 of the Intergovernmental Coordination Element and Pinellas County Code of Ordinances.

POLICY PW 1.3.1

The Public Works Department shall analyze the condition and adequacy of any water distribution system that the City may inherit through annexation and prepare cost estimates for upgrading those systems to meet City requirements.

POLICY SW.1.3.1

The City shall make available at the time of annexation solid waste collection service or require proof of existing service by a licensed solid waste collection service.

POLICY ICE.1.11.1

Continue to evaluate areas for potential joint planning and annexation consistent with the interlocal agreement between Pinellas County and the City of Pinellas Park, which details the Pinellas Park Planning Area (annexation boundary). Consider costs and benefits for both Pinellas Park and the adjacent unincorporated areas under consideration.

POLICY ICE.1.11.2

Coordinate with Pinellas County and other jurisdictions, as appropriate, to implement an annexation process which will include the following:

- a. Advance notice of all annexations to the respective parties of interest;*
- b. Accurate legal descriptions for properties proposed to be annexed;*
- c. Compliance with State law for contiguity, compactness, enclaves, and procedures for annexation agreements/indentures;*
- d. A determination of the City's ability to serve the area proposed for annexation;*
- e. Mutually acceptable agreements to provide selected services where it is beneficial to the citizenry and cost-effective to do so in lieu of annexation; and*
- f. A requirement for consistency with the Comprehensive Plan at the time of annexation.*

POLICY ICE.1.11.3

Provide a copy of the City's published or posted notice of annexation, via certified mail, to the Board of County Commissioners as required by Section 171.044(6), F.S.

4. Staff Analysis:

The proposed Future Land Use designation RLM has been found to be the most compatible with adjacent and surrounding land uses. The proposed City Future Land Use designation of RLM provides for a density that is consistent with the current County Future Land Use category. The subject property is located within the boundaries of the Annexation Planning Area Agreement as coordinated with Pinellas County, and all procedures are being followed. The subject property will continue to be served by County water, sewer, and solid waste services. Staff finds that the proposed annexation is consistent with the City's adopted Comprehensive Plan.

B. Zoning District / Land Development Code Standards:

1. Zoning District Purpose / Intent:

Section 18-1512. - "R-4" DUPLEX RESIDENTIAL DISTRICT

Sec. 18-1512.1. - STATEMENT OF INTENT. *The "R-4" Duplex Residential District is established to identify and stabilize those geographic areas within the City of Pinellas Park that are appropriate for the development and maintenance of a low-medium density and medium density residential environment, through the construction of single-family detached dwellings and large lot duplex dwellings. Such development to include accessory uses and public facilities customary for such an environment. This district is appropriate for areas designated on the Official Land Use Plan Map as Residential Low Medium (RLM), Residential Medium (RM), or Community Redevelopment District (CRD).*

2. Key Standards:

Sec. 18-1501.13. - ZONING OF ANNEXED PROPERTIES.

Property heretofore or hereafter annexed to the City shall be given the zoning classification which most closely relates to the Pinellas County zoning classification in effect at the time of such annexation, and the Official Zoning Map shall be amended or posted accordingly. Should a petition for annexation include a request for a zoning classification other than that which most closely relates to the Pinellas County zoning classification in effect for said property at the time said petition is filed, City Council may, in its sole discretion: refer said petition to the Planning and Zoning Commission for its recommendation; pass the proposal for said annexation of the property at the zoning requested in the petition; or deny the proposal. Any rezoning of an annexed area shall be consistent with F.S. § 171.062(2), as may be amended from time to time, which provides that if an annexed area was subject to a county land use plan and county zoning or subdivision regulations, these regulations remain in full force and effect until the municipality adopts a comprehensive plan amendment that includes the annexed area.

SECTION 18-1512. - "R-4" DUPLEX RESIDENTIAL DISTRICT

Sec. 18-1512.4. - DIMENSIONAL AND AREA REGULATIONS.

(A) MINIMUM LOT REQUIREMENTS.

3. *Lot Depth: One hundred (100) feet.*

(B) MINIMUM YARD SETBACK REQUIREMENTS.

1. *For lots platted prior to September 26, 1963, the following shall apply:*

 - (c) *Side Yard Setback: Five (5) feet.*
 - (d) *Rear Yard Setback: Twenty (20) feet.*

 - (c) *Side Yard Setback: Eight (8) feet.*

- (d) *Rear Yard Setback: Twenty (20) feet.*
- 3. *For single-family detached development see "R-1" Single-family Residential District for yard regulations.*

 - 3. *Two-bedroom: Six hundred fifty (650) square feet.*
 - 4. *Three-bedroom: Eight hundred (800) square feet.*
- (D) *MINIMUM BUILDING SEPARATION. See Section 18-1530.17, "Minimum Building Separation."*
- (E) *MAXIMUM BUILDING HEIGHT. Thirty-five (35) feet. See Section 18-1503.13, "Exclusion from Height Limits", for height limit exclusions.*
- (F) *MAXIMUM LOT COVERAGE. Residential Uses: Sixty (60) percent. Nonresidential Uses: Sixty-five (65) percent in RLM; seventy-five (75) percent in RM or CRD.*
- (G) *FLOOR AREA RATIO.*
 - 1. *Nonresidential Uses:*
 - a. *Forty hundredths (0.40) when assigned RLM, RM or CRD land use.*

2. Staff Analysis:

The current zoning designation of the subject property within Pinellas County is Residential Mobile/Manufactured Home (RMH). The City's equivalent zoning district would be Manufactured Home Subdivision District (T-1); however, this would not be suitable for this site. The subject property consists of a single-family home and is surrounded by other single-family homes. The City's Duplex Residential (R-4) Zoning District is found to be the most appropriate for this site given the density of the neighborhood and the need to fit the surrounding Residential Low Medium (RLM) future land use.

Staff finds the R-4 Single-Family Residential Zoning District to be the most appropriate and compatible zoning designation for the subject property.

C. Project Application Review Committee (PARC) Comments:

The application was discussed at the October 1, 2024 PARC meeting by all relevant departments/divisions. No concerns were raised with regard to the proposed amendment.

IV. SUMMARY

A. Findings:

Based on the information and analysis contained in this report, staff finds as follows:

1. The subject property is contiguous to the City and meets all of the annexation requirements set forth in Florida Statute 171.044.
2. The RLM Future Land Use designation has been determined the most appropriate for this property
3. The proposed annexation is consistent with the Land Development Code and the Goals, Objectives, and Policies of the adopted Comprehensive Plan.

B. Staff Recommendation:
