(LDC-0925-00019, CITY OF PINELLAS PARK)**

This Business Impact Estimate is provided in accordance with section 166.041(4), Florida Statutes.

If one or more boxes are checked below, this means the City is of the view that a business impact estimate is *not* required by state law<sup>1</sup> for the proposed ordinance, but the City is, nevertheless, providing this Business Impact Estimate as a courtesy and to avoid any procedural issues that could impact the enactment of the proposed ordinance. This Business Impact Estimate may be revised following its initial posting.

- The proposed ordinance is required for compliance with Federal or State law or regulation;
- The proposed ordinance relates to the issuance or refinancing of debt;
- The proposed ordinance relates to the adoption of budgets or budget amendments, including revenue sources necessary to fund the budget;
- The proposed ordinance is required to implement a contract or an agreement, including, but not limited to, any Federal, State, local, or private grant or other financial assistance accepted by the municipal government;
- The proposed ordinance is an emergency ordinance;
- The ordinance relates to procurement; or
- The proposed ordinance is enacted to implement the following:
  - a. Development orders and development permits, as those terms are defined in Florida Statutes § 163.3164, and development agreements, as authorized by the Florida Local Government Development Agreement Act under Florida Statutes § 163.3220-163.3243;

<sup>1</sup> See Section 166.041(4)(c), Florida Statutes.

- b. Comprehensive plan amendments and land development regulation amendments initiated by an application by a private party other than the City;
- c. Sections 190.005 and 190.046, Florida Statutes, regarding community development districts;
- d. Section 553.73, Florida Statutes, relating to the Florida Building Code; or
- e. Section 633.202, Florida Statutes, relating to the Florida Fire Prevention Code.

In accordance with the provisions of controlling law, even notwithstanding the fact that an exemption noted above may apply, the City hereby publishes the following information:

1. Summary of the proposed ordinance (must include a statement of the public purpose, such as serving the public health, safety, morals and welfare): This ordinance amends the way “mixed use” is referenced throughout the Land Development Code. Currently, the code lists “mixed use” in multiple variations, such as “Mixed Use Multi-family/Office/Personal Services/Retail,” “Mixed use; residential/office,” “Mixed use; residential/office/personal services/retail,” and “Mixed use; residential/office/personal services/retail.” The proposed amendment will: remove the additional descriptors attached to mixed use, standardize all references to simply read “mixed use,” and provide consistency across zoning tables and conditional use sections. This update is intended to streamline the code and make the mixed-use designation clearer and easier to apply.

2. An estimate of the direct economic impact of the proposed ordinance on private, for-profit businesses in the city, if any:

(a) An estimate of direct compliance costs that businesses may reasonably incur;  
N/A

(b) Any new charge or fee imposed by the proposed ordinance or for which businesses will be financially responsible; and  
N/A

(c) An estimate of the City’s regulatory costs, including estimated revenues from any new charges or fees to cover such costs.  
N/A

3. Good faith estimate of the number of businesses likely to be impacted by the proposed ordinance:

N/A

4. Additional information the governing body deems useful (if any):

N/A
