III. APPLICABLE CRITERIA / CONSIDERATIONS

A. Land Use Designation / Comprehensive Plan Policies:

1. Land Use Purpose / Intent:

It is the purpose of this category to depict those areas of the City that are now developed, or appropriate to be developed, in a low density residential manner, and to recognize such areas as primarily well-suited for residential uses that are consistent with the low density, non-intensive qualities and natural resource characteristics of such areas.

2. Key Standards:

Primary Uses – Residential

Secondary Uses – Residential Equivalent; Institutional; Transportation/ Utility; Public Educational Facility; Ancillary Non-Residential; Recreation/Open Space

3. Relevant Policies:

POLICY LU.1.1.2

Land use designations on the Future Land Use Map shall be compatible with adjacent and surrounding land uses.

POLICY LU.1.3.1

The City of Pinellas Park will continue to promote redevelopment and urban infill development that is compatible with and supports the integrity and viability of existing residential neighborhoods.

POLICY PW 1.3.1

The Public Works Department shall analyze the condition and adequacy of any water distribution system that the City may inherit through annexation and prepare cost estimates for upgrading those systems to meet City requirements.

POLICY SW.1.3.1

The City shall make available at the time of annexation solid waste collection service or require proof of existing service by a licensed solid waste collection service.

OBJECTIVE ICE.1.8

The City will identify, implement, and coordinate joint planning areas for annexation and provision of services.

POLICY ICE.1.8.1

The City will coordinate with the Pinellas Planning Council, and other jurisdictions as appropriate, to establish a more comprehensive and better-integrated annexation process that will include consideration of the following:

- a. Advance Notices - a procedure that provides for advance notice of all annexations to the respective parties of interest;*
- b. Accurate Legal Descriptions - a means to review and validate the legal descriptions for annexations;*
- c. State Law Compliance - definitions and examples by which to determine compliance with the state law for contiguity, compactness, enclaves, and procedures for annexation agreements/indentures;*
- d. Ability to Serve - pre-determined or administrative means to establish a municipality's ability to serve the area;*
- e. Service Contracts - enabling provisions for Pinellas County and each municipality to enter into mutually acceptable agreements to provide selected services where it is beneficial to the citizenry and cost-effective to do so in lieu of annexation;*
- f. Consistency - a requirement for consistency with the Comprehensive Future Land Use Plan at the time of annexation; and*
- g. Coordination with State Plan Amendment Review Process - to establish eligibility for a waiver of the requirement for plan amendment pursuant to Section 163.3171(3) FS, at the time of annexation.*

4. Staff Analysis:

The proposed City land use designation of RL provides for a density that is consistent with the current County Future Land Use category. The proposed Future Land Use designation (RL) has been found to be the most compatible with adjacent and surrounding land uses. Additionally, the subject property is located within the boundaries of the Annexation Planning Area Agreement as coordinated with Pinellas

County, and all procedures are being followed. The subject property is already served by public water, sewer, and solid waste services. Staff finds that the proposed annexation is consistent with the City's adopted Comprehensive Plan.

B. Zoning District / Land Development Code Standards:

1. Zoning District Purpose / Intent:

The "R-3" Single-family Residential District is established to identify and to stabilize those geographic areas within the City of Pinellas Park that are appropriate for the development and maintenance of a low density, urban low density and low medium density, single-family residential environment. This district is limited primarily to single-family detached dwellings, together with accessory uses and public facilities customary for such an environment. This district is appropriate for areas designated on the Official Land Use Plan Map as Residential Low (RL), Residential Urban (RU) or Residential Low Medium (RLM).

2. Key Standards:

Sec. 18-1501.13. - ZONING OF ANNEXED PROPERTIES.

Property heretofore or hereafter annexed to the City shall be given the zoning classification which most closely relates to the Pinellas County zoning classification in effect at the time of such annexation, and the Official Zoning Map shall be amended or posted accordingly. Should a petition for annexation include a request for a zoning classification other than that which most closely relates to the Pinellas County zoning classification in effect for said property at the time said petition is filed, City Council may, in its sole discretion: refer said petition to the Planning and Zoning Commission for its recommendation; pass the proposal for said annexation of the property at the zoning requested in the petition; or deny the proposal. Any rezoning of an annexed area shall be consistent with F.S. § 171.062(2), as may be amended from time to time, which provides that if an annexed area was subject to a county land use plan and county zoning or subdivision regulations, these regulations remain in full force and effect until the municipality adopts a comprehensive plan amendment that includes the annexed area.

SECTION 18-1511. - "R-3" SINGLE-FAMILY RESIDENTIAL DISTRICT

Sec. 18-1511.1. - STATEMENT OF INTENT.

The "R-3" Single-family Residential District is established to identify and to stabilize those geographic areas within the City of Pinellas Park that are appropriate for the development and maintenance of a low density, urban low density and low medium density, single-family residential environment. This district is limited primarily to single-family detached dwellings, together with accessory uses and public facilities customary for such an environment. This district is appropriate for areas designated on the Official Land Use Plan Map as Residential Low (RL), Residential Urban (RU) or Residential Low Medium (RLM).

(B) MINIMUM YARD SETBACK REQUIREMENTS.

1. Front Yard Setback: Twenty-five (25) feet.
2. Secondary Front Yard Setback: Twenty-five (25) feet. Where the provisions of Section 18-1504.4, "Nonconforming Lots" apply, the secondary front yard may be reduced to a minimum of fifteen (15) feet.
3. Side Yard Setback: Ten (10) feet. Where the provisions of Section 18-1504.4, "Nonconforming Lots" apply, side yards may be reduced to a minimum of ten (10) feet on one side and five (5) feet on the other side.

(F) FLOOR AREA RATIO.

1. Nonresidential Uses:
 - (a) Thirty-hundredths (0.30) in RL or RU.
 - (b) Forty-hundredths (0.40) in RLM.

3. Staff Analysis:

The current zoning designation of the subject property within Pinellas County is Residential Single-Family (R-1), which is consistent with the City's "R-3" Single-Family Zoning District. Additionally, single family (detached) dwellings are permitted in the "R-3" Zoning District.

Based on the above, with consideration that the adjacent properties are zoned R-3, staff finds the "R-3" Single-Family Residential Zoning District to be the most appropriate and compatible zoning designation for the subject property.

IV. SUMMARY

A. Findings

Based on the information and analysis contained in this report, staff finds as follows:

1. The subject property has no outstanding code enforcement violations with Pinellas County.

2. The subject property is contiguous to the City and meets all of the annexation requirements set forth in Florida Statute 171.044.
3. The RL Future Land Use designation has been determined the most appropriate for this property
4. The proposed annexation is consistent with the Land Development Code and the Goals, Objectives, and Policies of the adopted Comprehensive Plan.

B. Staff Recommendation

Consistent with the above-identified findings, and subject to such additional findings of fact as are established at a public hearing, if applicable, staff recommends **APPROVAL** of case numbers AX-2023-00006 and LUPA-0123-00009.
