Each of the Parcel Owners shall indemnify and defend the other against and save it harmless from, any and all claims, actions, damages, liability and expense (including, but not limited to, reasonable attorneys' fees) in connection with personal injury, loss of life, or property or other damage arising from or out of the indemnifying party's breach of this Agreement or use of any of the easements granted by the other Party pursuant to this Agreement (collectively, the "Easements") except to the extent of the negligence or willful misconduct of such indemnified

Party, its licensees, agents, or employees. This paragraph is specific to the Parcel Owners and does not apply to the City.

13. Exception: Special Events Permitted by the City of Pinellas Park

Nothing contained in this Reciprocal Easement, Maintenance Agreement and Restrictive Covenants shall be deemed to prohibit the erection of any temporary structures as may be allowed by the City of Pinellas Park during the holding of any special events, such as Art Walks, etc., as may be allowed pursuant to the issuance of a Temporary Event Permit by the City of Pinellas Park, Florida.

14. Maintenance and Repair of Reciprocal Access, Parking, Utility, Drainage and Dumpster Easement Areas

A. General Obligation for Maintenance and Repair. Subject to Section 12 of this Agreement, each of the Parties shall be responsible, consistent with customary and reasonable practices of prudent commercial property owners with respect to similarly situated properties utilized for similar purposes in Pinellas Park, for the maintenance, repair, replacement and operation (including, without limitation, prevention as to any sidewalks, drive aisles or parking areas) of any portion of the Reciprocal Access Easement Area, Reciprocal Parking Easement Area, Reciprocal Utility Easement Area, Reciprocal Drainage Easement Area and Reciprocal Dumpster Easement Area (inclusive of any improvements thereto or located thereon) (the “Reciprocal Easement Maintenance and Repair Obligations”). In connection with the performance of a Party’s Reciprocal Easement Maintenance and Repair Obligations set forth in this Section 14, each Party shall use reasonable efforts: (a) to minimize interference with the operations of the business located on the other Parcels; (b) to not materially and adversely obstruct or impede vehicular or pedestrian access to and from each Parcel and 75th Avenue North and 56th Street North; (c) to not materially diminish the benefits afforded to the other Parties by this Agreement; (d) to not unreasonably interrupt the other Party’s use of the Easements benefitting such other Party and its Parcel; (e) to not materially increase the burdens or costs imposed upon the other Parties or reduce the utility of the other Parties’ Parcel(s); and (f) to not cause noncompliance of the other Parties’ Parcel(s) (or any improvements thereon) or such other Party with any applicable laws. Any Party performing any maintenance within the Total Easement Area which could affect another Parcel (including, without limitation, any restriction or interruption of vehicular or pedestrian access or parking or other interference with the business operations of another Party) shall provide reasonable advance written notice (except in the case of bona fide emergency) to the other Party stating the scope of the work to be performed, the date on which the work will commence and the date the work is expected to be completed. To the extent any landscaping and/or any improvements, including materials related thereto, are damaged or disturbed in undertaking the construction, installation, operation, repair, maintenance and/or replacement of the shared utilities or drainage structures, the Parties shall be responsible to restore such landscaping and/or improvements (as the case may be) with like-kind

landscaping and/or improvements in the impacted areas to a condition no less than its condition immediately prior to such damage or disturbance. In the event a Party is performing installation, operation, repair, maintenance and/or replacement of utilities that only benefit the Party's own parcel, the Party performing such work shall be responsible to restore such landscaping and/or improvements (as the case may be) with like-kind landscaping and/or improvements in the impacted areas to a condition no less than its condition immediately prior to such damage or disturbance at its sole cost and expense. Neither the City of Pinellas Park nor the City of Pinellas Park Community Redevelopment Agency shall have any affirmative maintenance obligations or responsibilities related to the Total Easement Area.

B. Shared Parking Agent. A shared parking agent (the "Shared Parking Agent") shall be elected by a majority of the Parcel owners, will serve a term as agreed to by the Parcel owners, and can be replaced or renewed at any time by a simple majority vote of the Parcel owners. The Shared Parking Agent shall be responsible for monitoring the condition of the Total Easement Area and initiating maintenance activities as needed to maintain the shared parking lot and associated improvements (including but not limited to the shared utilities, landscaping, drainage, and dumpster areas) in accordance with all applicable laws and ordinances.

C. Cost Sharing. A majority vote of Parcel owners is required for any repair, maintenance, or improvements and to accept the bid for any repair/maintenance/improvement contract. Before authorizing expenditures for repairs, maintenance or improvements, Parcel owners will be notified by the Shared Parking Agent, cost estimates will be provided, and a majority agreement will be required. All costs and expenses shall be evenly borne by the owners of the Parcels described in Exhibits 1, 2 and 3, which are subject to and benefit from this Agreement (i.e. each parcel is responsible for 1/7 of the total cost and expense of any necessary repair, maintenance, or improvements). If any Parcel owner performs improvements, maintenance, repairs, or replacements without the approval of the other Parcel owners prior to performing such work, then the Parcel owner performing such work shall become liable for the entire cost of such work, unless such work is deemed an emergency.

D. Lien for Maintenance, Repair or Replacement. The Parcel owner performing the maintenance, repair or replacement shall invoice the non-performing parcel owners for their share of the costs. Such invoice shall be immediately due and payable to the performing party and shall be paid within thirty (30) days of receipt. In the event of a failure of timely payment the performing party shall have a lien on the non-performing party's land for the amount of the invoice, plus interest, plus attorney's fees incurred in the collection of the debt. The performing party shall have the right to file a lien on the land of the non-conforming party in the same manner of Chapter 713 Florida Statutes and shall have the right to enforce and foreclose on such lien in accordance with the statute.

15. Cost Sharing of Reclaimed Water and Solid Waste Bill

Each of the 7 Parcels described in Exhibit 1, 2 and 3, which are subject to and benefit from this Agreement, will be evenly responsible for 1/7 of the total cost and expense of the reclaimed water bill and solid waste bill (i.e. each parcel of the parcels is responsible for 1/7 of the total

cost and expense). The Shared Parking Agent will be responsible for payment of such bill(s), and informing each Parcel owner in writing the amount due each month. Notice to the Parcel owners must include a copy of the monthly bill(s). All Parcel owners must pay their portion of the bill within five (5) business days of receipt of such invoice/notice from the Shared Parking Agent. In the event an Owner does not remit payment within the five (5) required business days, the Shared Parking Agent shall have the right to lien the non-paying parcel Owner's land in conformance with Paragraph 14.D.

16. Notices

Parcel owners under this Agreement shall be notified by mail or in person. If an address of a Parcel owner is not known, a certified notice will be mailed to the mailing address listed for the parcel owner on the Pinellas County Property Appraiser's website. All notices which are required or permitted hereunder must be in writing and shall be deemed to have been given, delivered or made, as the case may be (notwithstanding lack of actual receipt by the addressee) (i) on the date notice is provided by hand delivery, or (ii) three (3) business days after having been deposited in the United States mail, certified or registered, return receipt requested, sufficient postage affixed and prepaid, or (iii) one (1) business day after having been deposited with an expedited, overnight courier service (such as, by way of example, but not limitation, by U.S. Express Mail, FedEx, or similar overnight delivery service), addressed to the party to whom notice is intended to be given.

17. Covenant Running with the Land

Each of the Easements, covenants and restrictions shall be deemed to be a covenant running with the land, and the rights and obligations stated herein with respect to such Easements shall be binding on the Parties and their respective heirs, successors, and assigns. The Pinellas Park Community Redevelopment Agency shall cause this Agreement to be recorded in the Official Records of Pinellas County, Florida, following the full execution of this Agreement. Each of the Easements, in addition to benefiting the benefited Parcel, shall be for the use and benefit of the then-owner's ground lessees, lessees, tenants, licensees, employees, invitees, agents, contractors, independent contractors, customers and guests.

18. Imposition of all Conditions, Restrictions and Obligations on Own Land

Each of the Parties hereby imposes all the conditions, restrictions and obligations contained in this Agreement on all parcels owned by such party at the time of this Agreement (Exhibits 1, 2 and 3) which are subject to this Agreement, and expressly agrees that such conditions, restrictions and obligations shall be deemed to run with the land and be binding on the Parties and their respective heirs, successors, and assigns as described in Paragraph 16 above.

19. Limitation of Liability

Notwithstanding anything herein to the contrary, neither Party shall have any liability hereunder for any expense or obligation whatsoever, unless such liability accrues while the relevant Party is the owner of record of the relevant Parcel. Any action brought by either Party to enforce the terms of this Agreement shall only be brought against the entity that owned the other Parcel(s) the time the cause of action accrued, except that if the liability is of a continuing nature, then any Party who was a Parcel owner during such continuing period may be liable for such damage that occurred during its tenure as a Parcel owner.

20. Acceptance

Each Party, on behalf of itself and its successors and assigns, does accept the grant of the Easements benefitting its Parcel(s) made by this Agreement upon the terms and conditions herein set forth. The grantee of any Parcel or any portion thereof, by acceptance of a deed conveying title thereto, whether from an original party or from a subsequent owner of any Parcel, shall accept such deed subject to each and all of the easements, covenants, conditions, restrictions and obligations contained herein. By such acceptance, any such grantee shall for himself and his successors, assigns, heirs, and person representatives, covenant, consent and agree to and with the other parties, to keep, observes, comply with, and perform the obligations and agreements set forth herein with respect to the property so acquired by such grantee.

21. Miscellaneous

A. All headings, captions and titles contained in this Agreement are intended for convenience of reference only and are not to be deemed or interpreted as a summary of the provisions to which they pertain or as a construction thereof.

B. If any provision of this Agreement shall be deemed to be invalid or unenforceable under applicable law, said provision shall be ineffective to the extent of such invalidity or unenforceability only, without in any way affecting the remaining provisions of this Agreement. This Agreement represents the final agreement between the Parties as to the subject matter described herein and may only be amended by a written instrument signed and notarized by all Parties and the City and recorded in the Official Records of Pinellas County, Florida.

C. This Agreement may be executed in counterparts, and when executed by all Parties shall constitute one and the same instrument.

D. Each Party covenants for itself that it has the full right and authority to enter into this Agreement according to the terms hereof.

E. The Effective Date of this Agreement shall be the later of (i) full and final execution of this Agreement by all Parties; and (ii) the signed written consent and joinder to this Agreement by all existing secured lienholders of the Parties.

F. Each Party agrees to secure and keep in force from and after the date hereof, at its own cost and expense insurance with such coverage and in such amounts as it deems commercially appropriate. Notwithstanding anything herein to the contrary, each Party agrees to secure and keep in force from and after the date hereof, at its own cost and expense Commercial General Liability Insurance on a per occurrence basis with a limit of liability in an amount of at least One Million Dollars (\$1,000,000). The other Parties and their secured lenders and other designees shall be additional insured on such policy as it applies to the insuring Party's parcel. Certificates evidencing such insurance shall be provided promptly following a Party's written request.

G. The parties will do any and all further acts necessary or reasonably required to effectuate the transactions contemplated herein, including executing, acknowledging, delivering, filing and recording any and all documents and instruments as the other party may reasonably request to fully perfect the rights of such party under this Agreement. The Parties will cooperate with each other in preparing reports, instruments and documents which, in the opinion of any Party, are reasonably required by any statute, rule or regulation or order of any governmental or administrative body in connection with the transactions contemplated herein.

H. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida without regard to its conflicts of laws provisions. Venue for any action for the interpretation or enforcement of this Agreement shall lie only in Pinellas County, Florida.

I. Except as otherwise expressly set forth in this Agreement, in the event of a breach of this Agreement by either Party (for purposes hereof, the "Defaulting Party"), which breach remains uncured for a period of more than thirty (30) days after written notice from the non-Defaulting Party (except in the event of an emergency), the non-Defaulting Party shall have all rights and remedies available to it at law, in equity or hereunder, including, without limitation, injunctive relief and the recovery of its reasonable attorneys' fees and court costs.

J. Waiver of Strict Construction Against Drafting Party. Should any provision of this Agreement be subject to judicial interpretation, it is agreed that the court interpreting or considering such provision will not apply the presumption or rule of construction that the terms of the Agreement be more strictly construed against the party which itself or through its counsel or other agent prepared the same, as all parties hereto have participated in the preparation of the final form of this Agreement through review by their respective counsel and the negotiation of changes in language in any provision deemed unsuitable or inadequate as initially written, and therefore, the application of such presumption or rule of construction would be inappropriate and contrary to the intent of the parties.

K. Release. This Agreement may not be amended or released without the written consent of the City of Pinellas Park, Florida and the City of Pinellas Park Community Redevelopment Agency.

Mr. Nick Colonna
Community Development Administrator
City of Pinellas Park
P. O. Box 1100
Pinellas Park, Florida 33780-1100

**RE: Reciprocal Easement, Maintenance Agreement
and Restrictive Covenants for 5600 Block**

Dear Mr. Colonna:

Enclosed is a Reciprocal Easement, Maintenance and Restrictive Covenants Agreement that our office has prepared pertaining to the 5600 shared parking lot.

This is a draft Agreement insofar as it still needs to be reviewed by City staff and approved by the CRA Board and City Council. During that process, there may be changes from staff, the CRA Board and/or City Council that will need to be incorporated into the final Agreement before presenting such Agreement for signature to Roger Broderick and Vincent Pompei and Melissa Schultz. However, if City administration and staff find the enclosed Agreement acceptable, the draft agreement could certainly be distributed to Roger Broderick, Vincent Pompei and Melissa Schultz for their review prior to the March 21st CRA meeting (when the CRA Board is set to consider such Agreement).

In preparation of the enclosed Agreement, our office had several meetings and telephone conferences with City staff and administration regarding the specific provisions of such Agreement. City administration has indicated that neither the City nor the CRA wish to retain any right for public parking on such lot, and therefore no provision was made for public parking in the Agreement. Once the CRA has disposed of all of its property located within the 5600 block, the 5600 shared parking lot will be solely for the use and benefit of the seven privately-owned parcels (as described in the Agreement). As you know, the 5600 block shared parking lot was built by the CRA, and has been continuously maintained

Mr. Nick Colonna
Page 2

by the CRA. Once this Agreement is finalized, and the CRA has disposed of all its parcels within the 5600 block of Park Boulevard, the CRA shall have no more ongoing maintenance obligation of the parking lot. While this Agreement does give the City the right to make emergency repairs pursuant to paragraph 13.D., the City does not have a right, under the current version of this Agreement, to perform any general maintenance or repair. City administration has indicated that it would utilize Code Enforcement to address any general maintenance concerns in the future (as it would with any other private commercial property located in the City), and did not wish to provide any rights in this Agreement for the City to perform general maintenance and/or repair of the easement area.

In the event that either Vincent Pompei and Melissa Schultz and/or Roger Broderick have a mortgage on their individual parcel, their mortgage holder will need to sign a written Consent and Joinder to this Agreement. Our office can review the Official Records, but City staff may be able to ascertain from Mr. Pompei and Mr. Broderick directly whether either parcel is currently encumbered by a mortgage, and if so, the holder of such mortgage.

Once City staff has had the opportunity to review the enclosed Agreement, please let our office know whether there are any changes or additions that staff would like incorporated into the Agreement.

Very truly yours,

Lauren C. Rubenstein
City Attorney
