

## ANNEXATION AGREEMENT

**THIS AGREEMENT** made and entered into this \_\_\_\_ day of \_\_\_\_\_, 2023, by and between the **CITY OF PINELLAS PARK, FLORIDA**, a municipal corporation, hereinafter referred to as “CITY” and 5300 FLEX, LLC, hereinafter referred to as “OWNER” (*“OWNER” is used herein for singular or plural, the singular shall include the plural, and any gender shall include all genders, as context requires*). “CITY” and “OWNER” are hereinafter collectively referred to as the “Parties” hereto. This Agreement shall be deemed to be entered into, dated and effective upon its execution by the mayor and approved by the City Attorney of Pinellas Park, after City Council action approving of this Agreement.

### WITNESSETH:

**WHEREAS**, the OWNER fully warrants that they are the fee simple OWNER of the real property described and depicted in Exhibit “A” attached hereto (hereinafter referred to as “Property”), which is presently located in an unincorporated area of Pinellas County; and

**WHEREAS**, the Parties have determined that annexation of the Property would be beneficial to both Parties, and the Property currently does meet the requirements for voluntary annexation into the CITY as required by Florida Statutes, Chapter 171; and

**WHEREAS**, the OWNER desires that the Property be annexed into the municipal boundaries of the CITY, and the CITY desires to annex the Property.

**NOW, THEREFORE, FOR GOOD AND VALUABLE CONSIDERATION**, receipt of which is hereby acknowledged by both Parties, it is hereby agreed by and between the Parties as follows:

1. All of the above recitals are incorporated herein and made a part hereof.
2. The OWNER shall forthwith execute and deliver to the CITY a Petition for Voluntary Annexation in accordance with Florida Statutes, Chapter 171. Further, the OWNER shall, when requested to do so by the CITY, perform all such actions as may be necessary to execute and complete the Voluntary Annexation by the CITY of the Property. The CITY shall, after the completion of such actions, commence the appropriate voluntary annexation proceedings.
3. Prior to annexation of the said Property by the CITY, the OWNER shall be permitted to commence and/or to proceed with the development of the said Property in strict accordance with the legal requirements of Pinellas County, Florida. However, upon annexation, all further

or continuing development of the said Property (regardless of when the same is commenced) shall strictly comply with all applicable CITY ordinances, resolutions, and codes, including site plan review procedures for each individual structure. Nothing herein shall be construed to excuse or release OWNER from compliance with the applicable laws, rules, and regulations of any other governmental entities, including but not limited to legal requirements for obtaining environmental permits.

4. At the time of annexation, the CITY will convert the then-existing County zoning of E-1 & E-2 and land use classification of E to the CITY zoning of M-1 and land use classification of IL.
5. Nothing in this Agreement or otherwise shall be construed as requiring the CITY to construct or install any water or sanitary sewer lines or other improvements of any kind upon the above-referenced Property.

**The following constitute the special provisions herein:**

1. The existing Site Plan, attached as Exhibit "B", which depicts existing site improvements at the time of annexation shall serve as the official site plan upon which the CITY shall regulate the property until such time that the OWNER receives permit approval from the CITY for a revised site plan. Improvements not identified in Exhibit "B" such as landscaping shall be maintained until such time that the OWNER receives permit approval from the CITY for a revised site plan.
2. The existing fifty-six (56) foot tall billboard located in the northwest corner of the property is nonconforming under current City of Pinellas Park Code of Ordinances. The billboard may remain in the location identified in Exhibit "B" in perpetuity, provided that the billboard is maintained in good and safe condition.
3. The CITY shall issue all permits necessary for the OWNER to maintain the existing billboard identified in special provision no. 2, provided such permits comply with the Florida Building Code and other applicable regulations. Under no circumstances shall the CITY require a modification to the billboard that would change the size, height or location of the billboard.
4. For a period of five (5) years from the date of this agreement, the OWNER may replace the existing billboard identified in special provision no. 2 with a new billboard subject to the following criteria:
  - a. The permit must be applied for prior to the date five (5) years from the date of this agreement.
  - b. The construction of the new billboard, including all inspections, must be completed prior to the date seven (7) years from the date of this agreement.

- c. The new billboard shall be in the same general location as the existing billboard.
- d. The minimum front yard setback shall be eleven and four tenths (11.4) feet.
- e. The minimum side yard setback shall be three and eight tenths (3.8) feet.
- f. The billboard shall have no more than two (2) sign faces.
- g. The bottom of the billboard sign face shall be no higher than thirty-eight (38) feet from grade.
- h. The top of the billboard sign face shall be no higher than fifty-six (56) feet from grade.
- i. The maximum sign face area of each sign face shall be no more than three hundred and eighty (380) square feet.
- j. The new billboard may be an electronic digital sign.

**The following constitute miscellaneous provisions herein:**

1. The OWNER further acknowledges that this Agreement shall be recorded in the Public Records of Pinellas County, Florida, and shall constitute a covenant running with the Property.
2. This Agreement shall be binding upon the Parties, their successors, assigns, and legal representatives; provided, however, that nothing herein shall be construed to prevent the sale or other transfer of the Property by OWNER or any of its successors in title subject to the provisions hereof.
3. This document embodies the whole agreement of the Parties. There are no promises, terms, conditions, or allegations by either Party other than those contained herein; and this document shall supersede all previous communications, representations, and/or agreements, whether written or verbal between the Parties hereto. This Agreement may be modified only in writing executed by the Parties and/or their successors in title, as the case may be modified only in writing executed by the Parties and-or their successors in title, as the case may be.

**IN WITNESS WHEREOF**, the parties hereto have caused this Agreement to be executed on the day and year first above written.

**RE: City Document #23-019**  
**Annexation Agreement AX-2023-00002, 5300 Ulmerton Road**

Dear Mr. Reeves:

We have received and reviewed the proposed Annexation Agreement for 5300 Ulmerton Road.

In reviewing the legal description attached at Exhibit "A," I note that there are two parcels set forth as being the property to be annexed. Parcel 2 states that it is as to "Easement rights for the benefit of Parcel 1." It appears that the land depicted on Parcel 2 is on somebody else's property other than the entity executing the Annexation, and is probably for ingress/egress rights to the property being annexed. However, since the owner of Parcel 2 upon which the Easement is located is not voluntarily consenting to the annexation, it cannot be included in the Agreement and the legal description should be amended to include only Parcel 1.

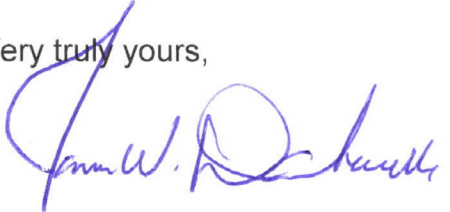

PRINTED ON RECYCLED PAPER

Mr. Derek Reeves  
February 2, 2023

With the correction of the legal description as on Exhibit "A," we would otherwise approve of the proposed Annexation Agreement as to form and correctness.

Very truly yours,

- d. Ability to Serve - pre-determined or administrative means to establish a municipality's ability to serve the area;*
- e. Service Contracts - enabling provisions for Pinellas County and each municipality to enter into mutually acceptable agreements to provide selected services where it is beneficial to the citizenry and cost-effective to do so in lieu of annexation;*

- g. Coordination with State Plan Amendment Review Process - to establish eligibility for waiver of the requirement for plan amendment pursuant to Section 163.3171(3) FS, at the time of annexation.*

### **4. Staff Analysis:**

The subject property is located within the boundaries of the Annexation Planning Area Agreement as coordinated with Pinellas County, and all procedures are being followed. The subject property is already served by public water, sewer, and solid waste services. Staff finds that the proposed annexation is consistent with the City's adopted Comprehensive Plan.

## **B. Zoning District / Land Development Code Standards:**

### **1. Zoning District Purpose / Intent:**

#### **Section 18-1524. - "M-1" LIGHT INDUSTRIAL DISTRICT**

**Sec. 18-1524.1. - STATEMENT OF INTENT.** *The "M-1" Light Industrial District is established in order to identify and provide those geographic areas within the City of Pinellas Park that are appropriate for the development and maintenance of a light industrial environment, which does not create hazardous or other serious detrimental effects upon the public health in the surrounding areas. This district is intended primarily for a wide variety of industrial uses and compatible retail, wholesale, distributing operations, and in limited situations as provided in (B) below, single and multi-family dwellings, together with accessory uses and public facilities customary to or required for such an environment.*

*Areas of the City for which this zoning category is appropriate are designated on the Land Use Plan Map as Industrial Limited (IL) or Community Redevelopment District (CRD) Land Use Plan Map Categories.*

## **2. Key Standards:**

### **Sec. 18-1501.13. - ZONING OF ANNEXED PROPERTIES.**

Property heretofore or hereafter annexed to the City shall be given the zoning classification which most closely relates to the Pinellas County zoning classification in effect at the time of such annexation, and the Official Zoning Map shall be amended or posted accordingly. Should a petition for annexation include a request for a zoning classification other than that which most closely relates to the Pinellas County zoning classification in effect for said property at the time said petition is filed, City Council may, in its sole discretion: refer said petition to the Planning and Zoning Commission for its recommendation; pass the proposal for said annexation of the property at the zoning requested in the petition; or deny the proposal. Any rezoning of an annexed area shall be consistent with F.S. § 171.062(2), as may be amended from time to time, which provides that if an annexed area was subject to a county land use plan and county zoning or subdivision regulations, these regulations remain in full force and effect until the municipality adopts a comprehensive plan amendment that includes the annexed area.

#### **Sec. 18-1524.1. - STATEMENT OF INTENT.**

The "M-1" Light Industrial District is established in order to identify and provide those geographic areas within the City of Pinellas Park that are appropriate for the development and maintenance of a light industrial environment, which does not create hazardous or other serious detrimental effects upon the public health in the surrounding areas. This district is intended primarily for a wide variety of industrial uses and compatible retail, wholesale, distributing operations, and in limited situations as provided in (B) below, single and multi-family dwellings, together with accessory uses and public facilities customary to or required for such an environment.

Areas of the City for which this zoning category is appropriate are designated on the Land Use Plan Map as Industrial Limited (IL) or Community Redevelopment District (CRD) Land Use Plan Map Categories.

2. Fifty-five hundredths (0.55) in IL.

##### **(F) MAXIMUM BUILDING HEIGHT.** Forty (40) feet See Section 18-1503.13, "Exclusion from Height Limits", for height limit exclusions.

**Sec. 18-630.1. - OFF-PREMISE SIGNS (BILLBOARDS) IN INDUSTRIAL ZONING DISTRICTS.**

Off-premise signs (Billboards) are allowed in the industrial zoning districts "M-1" and "IH" but subject to the following content-neutral criteria as to maximum number, minimum frontage, locational restrictions, maximum sign size (area) limitations, maximum height limitations, minimum separation requirements, and minimum setback requirements:

- (a) Maximum number. A maximum number of one (1) billboard structure per zone lot is permitted.
- (b) Minimum zone lot frontage. A billboard structure may not be located on a zone lot unless the zone lot has at least one hundred (100) feet of frontage.
- (c) Locational restrictions. A billboard structure may only be located along one of the following designated roadways:
  - i. An interstate or federal-aid primary highway.
  - ii. 49th Street (between U.S. 19 and the northern city limits).
  - iii. U.S. Hwy. 19 (between Park Blvd. and the northern city limits).
- (d) Maximum sign size (area) limitation. The billboard structure shall not have a sign face that exceeds three hundred sixty (360) square feet in size per sign face. Two (2) such sign faces may be mounted back-to-back on the same sign structure.
- (e) Maximum height limitation. A billboard structure shall not exceed thirty-five (35) feet in height from the ground level; however, in the case where the off-premise sign is on a parcel contiguous to an overpass or elevated road (excluding service roads) from which the sign is designed to be viewed, the height of the sign shall be measured from the highest point of the overpass or elevated road at that portion of the crown of the roadway surface adjacent to the parcel to the top of the sign.
- (f) Minimum separation requirements. A billboard structure must meet the following minimum separation requirements:
  - i. The billboard structure shall not be located within a fifteen hundred (1,500) foot radius of another billboard on an interstate highway.
  - ii. The billboard structure shall not be located within a one thousand (1,000) foot radius of another billboard on a federal-aid primary highway.
  - iii. The billboard structure shall not be located within five hundred (500) feet of any residentially-zoned property.
- (g) Minimum setback requirements. A billboard structure must meet the following minimum setback requirements:
  - i. The billboard structure shall have a minimum fifty-foot setback in the front yard.
  - ii. The billboard structure shall have a minimum twenty-foot setback in any side yard.
  - iii. The billboard structure shall have a minimum twenty-five-foot setback from all primary structures.

**2. Staff Analysis:**

The current zoning designation of the subject property within Pinellas County is Employment 1 and Employment 2 (E-1 and E-2), which is consistent with the City's "M-1" Light Industrial Zoning District.

The existing billboard on the property is nonconforming under City code due to its sign face area (672 square feet), height (56 feet), primary highway billboard separation (approximately 750 feet), and setbacks (11.4 feet front and 3.8 feet side). The applicant has asked to maintain the existing billboard with the possibility of replacing it with a new smaller billboard (380 square foot sign face) in the same location. The annexation agreement will specify the details should City Council agree to such terms.

Staff finds the "M-1" Light Industrial Zoning District to be the most appropriate and compatible zoning designation for the subject property.

**C. Project Application Review Committee (PARC) Comments:**

The application was discussed at the November 29, 2022 PARC meeting by all relevant departments/divisions. No concerns were raised with regard to the proposed amendment.

#### IV. SUMMARY

##### A. Findings:

Based on the information and analysis contained in this report, staff finds as follows:

1. The subject property has no outstanding code enforcement violations with Pinellas County.
2. The subject property is contiguous to the City and meets all of the annexation requirements set forth in Florida Statute 171.044.
3. The IL Future Land Use designation has been determined the most appropriate for this property
4. The proposed annexation is consistent with the Land Development Code and the Goals, Objectives, and Policies of the adopted Comprehensive Plan.

##### B. Staff Recommendation:
