Good morning Kyle,

Based on our conversation, we have advised the contractors to go through the correct channel of communication with the City of Pinellas and their counsel. Understand that there may be communication between the City of Pinellas and aforementioned contactors regarding any disputes. Please see below for your Concurrence to Award:

The Department has reviewed the bid tabs and concurs with the City's recommendation to award this project to the low bidder, Cone & Graham, at their low bid of \$2,337,500.00. The project had four bidders, so the bid was competitive. Cone & Graham is well-known and FDOT Pre-qualified.

As a reminder, please be sure to upload into GAP a copy of the Bid Tabs, recommendation to award and all the supporting documentation that was provided for this review as well as a copy of the executed construction contract, along with this concurrence email. Additionally, please contact Rolando Sanchez as soon as the date for the pre-con meeting and NTP to the contractor have been determined. His contact is listed below:
