Re: City of Pinellas Park
110th Avenue Lift Station #30 Force Main Replacement
ITB # 25.017
Recommendation of Award

Dear Mr. Mendrala:

Please allow this letter to serve as Advanced Engineering & Design, Inc.'s (AED's) formal Recommendation of Award for the above-referenced project.

Bids were opened on August 12, 2025 and the attached Bid Tabulation identifies the pricing submitted. In total, prices ranged from \$3,185,150.00 to \$5,387,800.00. No mathematical errors were identified on the submitted pricing, however, the City did not receive itemized pricing from one bidder (Midsouth, Inc.). The Apparent Low Bid of Kamminga & Roodvoets, Inc. was for \$3,185,150.00.

Unit prices for the apparent low bidder were evaluated and two unit prices required further evaluation. Pay Item C-SS-1, Bypassing of Sewage Flows, was valued at over three times greater than the next highest unit price submitted. Pay Item C-SS-25, Manhole, Precast w/ Concrete Lining System, 6' Diameter, was significantly undervalued at \$1,900.00. While these bid irregularities are noted, it is not believed that the bid is imbalanced.

We have verified the firm's DBPR licensure is current, and the firm's Qualification Statement and Bid Bond appear in order. Furthermore, AED has project experience with the apparent low bidder and we believe the firm is qualified to perform the work. Therefore, we recommend that the City of Pinellas Park award the referenced construction contract to Kamminga & Roodvoets, Inc. for \$3,185,150.00. AED also recommends that the City budget an additional 10% contingency to account for unforeseen field conditions.
