Ryan:

Attached is our cost estimate for the 8" sewer repair on 70th. Ave. N., this estimate was based on our current Pinellas County Annual Sewer Contract. Contract #21-0637-CP(PLU) FY2022-FY2024.

Our understanding is that the city would like Rowland Inc. excavate, well point and point repair existing 8" VC/CI Sewer Main so it can be Lined by others. The City will maintain sewer bypass and all MOT (Road Closure) for duration of work. In addition, Rowland will leave shored up excavation until Lining Contractor has completed their work, once lined, Rowland will proceed with backfill, road base and paving. All quantities will be field measure for payment. Any additional work shall require revised work order and written consent from the city.

If the city would like to proceed, please respond as soon as possible so we can make arrangements to start as soon as tomorrow if needed.

If you have any questions or concerns, please call us.

Thank you

Bill Gavitt  
General Superintendent

Re: Important Safety Message

We are responding to your request to locate our underground facilities in an area where you are planning excavation or demolition work. The following is the current status of our facility marking in the area specified in your notification.

=====  
  
Ticket: 066304324  
County: PINELLAS                      Place: PINELLAS PARK  
Address: 70TH AVE N

PGSSTP (Gas):  
Your dig site has been marked with yellow paint, flags, signs, or other similar devices. If you need further information please contact Mason Spurgeon at (813) 538-6761. .

=====  
  
Thank you for notifying Sunshine State One-call of Florida about your upcoming excavation. Please wait two full business days to allow us to mark our facilities. On the job site, take precautions to protect all markings. If markings are no longer visible, or you have questions about them, stop excavating and call us at 877-832-6747. To find the exact location of our pipelines, hand excavate the tolerance zone, which is 24 inches either side of the temporary markings.
