PLEASE NOTE that if a person decides to appeal any decision made by City Council with respect to any matter considered at the above-cited meeting, the person will need a record of the proceedings and, for such purpose, may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based. The City maintains a digital recording of all public hearings. In the event that you wish to appeal a decision, the digital recording may or may not adequately insure a verbatim record of the proceedings; therefore, you may wish to provide a court reporter at your own expense (Section 286.0105, Florida Statutes).

FOR THE HEARING IMPAIRED — An interpreter for the hearing impaired will be made available upon requests made at least 72 hours in advance.
