III. APPLICABLE CRITERIA / CONSIDERATIONS

A. Comprehensive Plan Policies:

1. Relevant Policies:

POLICY T.1.4.1

Avoid the vacation of rights-of-way, alleys, or easements if they serve a purpose, provide principal or secondary access to a parcel.

POLICY T.1.4.2

When vacating a right-of-way, alley, or access easement that affects an existing or future utility, require the retention or dedication of an easement for an existing or proposed utility.

2. Staff Analysis:

The two parcels adjacent to the right-of-way proposed to be vacated will have access via 126th Avenue N. and will not be negatively impacted by the proposed vacation. There are no current or proposed utilities within the right-of-way proposed to be vacated.

Staff finds that the proposed right-of-way vacation is consistent with the City's adopted Comprehensive Plan.

B. Land Development Code Standards:

1. Key Standards:

Article 18. Vacations of Rights-of-Way and Easements

Sec. 18-1801. - VACATIONS OF RIGHTS-OF-WAY AND EASEMENTS.

Except as provided for by Article 1, Subdivision Code of Chapter 18, Land Development Code, the process for vacating rights-of-way and easements shall follow rules established by this Article.

Sec. 18-1801.1. - GENERAL PROCEDURES FOR VACATIONS OF RIGHTS-OF-WAY OR EASEMENTS.

- (A) *Request for vacation of rights-of-way or easements shall be submitted to the Zoning Division on an application form provided by the City, along with the required filing fee. The applicant shall provide notice, by certified mail/return receipt requested, to all owners of property abutting the right-of-way or easement to be vacated, notifying said abutting property owners that the applicant has applied for the vacation of a right-of-way or easement and enclosing a copy of the application. The applicant shall provide documentation to the City that he has complied with the notice requirements herein. If the applicant is the sole owner of all abutting property, such proof shall not be required. In the event the certified notice has been refused or not retrieved by an abutting property owner, the applicant shall provide documentation thereof and shall send the notice to the said property owner by U.S. Mail.*
- (B) *The applicant shall include with the application utility releases from the affected telephone, electrical, gas and cable utilities, as well as the Pinellas Park Water Management District. In addition the City may require utility releases from other agencies which have jurisdiction on the property to be vacated.*
- (C) *The City may notify affected City divisions and departments of the application for vacation and request recommendations. The various reviewing divisions and departments shall review the*

request for vacation and provide recommendations to the City. The various reviewing divisions and departments shall consider whether the right-of-way or easement is needed for existing or future public use. In the review of the application for a right-of-way, the City shall assess whether or not all or part of the right-of-way should be retained or converted to an easement. In reviewing the request for the vacation of an easement, the City shall assess whether or not all or part of the easement should be retained.

Sec. 18-1801.3. - RIGHTS-OF-WAY.

- (A) *The City Staff shall prepare a Staff report either recommending approval, approval with modification or denial of the vacation request. The request for the vacation shall be considered by the Planning and Zoning Commission at a public hearing. The date, time and place of the public hearing and identification of the case shall be advertised in a newspaper of general circulation in the City. The City Staff shall present a proposed resolution to the City Council. Public hearings shall be held on the application and proposed resolution, together with a first and final reading of the proposed resolution.*
- (B) *At least fifteen (15) days prior to the public hearing before the Planning and Zoning Commission, City Staff shall provide notice by U.S. Mail to all abutting property owners of the application for vacation and the date, time and place of the hearing. For purposes of this Section, notification shall be deemed complete upon mailing. The City shall also place an advertisement in a newspaper of general circulation in the City and post a sign on the right-of-way to be vacated, which provides notice of the time and date of the public hearing and identifies the case. Failure to post a sign or notify all of the abutting property owners, as shown on the records of the Pinellas Property Appraiser's Office, shall not constitute grounds for re-advertising the public hearing or conducting additional public hearings and shall not affect any action or proceeding on the application for vacation.*
- (C) *At least seven (7) days prior to public hearing before City Council, City Staff shall provide notice by U.S. Mail to all abutting property owners of the application for vacation and the date, time and place of the hearing thereon. For purposes of this Section notification shall be deemed complete upon mailing. The City shall also place an advertisement in a newspaper of general circulation in the City and post a sign on the right-of-way to be vacated, which provides notice of the time and date of the public hearing and which identifies the case. Failure to post a sign or notify all of the abutting property owners, as shown on the records of the Pinellas Property Appraiser's Office shall not constitute grounds for re-advertising the public hearing or conducting additional public hearings and shall not affect any action or proceeding on the application for vacation.*
- (D) *A vacation resolution, requiring a public hearing first and final reading, shall be presented to City Council for their action. City Council may take action on the Resolution upon conclusion of the first reading and public hearing.*

2. Staff Analysis:

The Land Development Code (LDC) includes no criteria pertaining to the approval or denial for applications to vacate rights-of-way. The LDC does, however, include the above referenced Sections that detail the process by which such vacations may be applied for and processed, including notification and public hearings.

Staff finds that this application is in compliance with regard to these provisions.

IV. SUMMARY

1. The request meets vacation of right-or-way requirements per Section 18-1801 of the Land Development Code; and,
2. The request is consistent with the Goals, Objectives, and Policies of the adopted Comprehensive Plan.

B. Staff Recommendation:

Consistent with the above findings, staff recommends **APPROVAL** of case number VAC-0821-00016.
