Transportation & Stormwater Division
City of Pinellas Park
P. O. Box 1100
Pinellas Park, Florida 33780-1100

RE: City Document #19-137
Pinellas County Piggyback-Traffic Pavement Marking Services

Dear Mr. Chase:

I have received and reviewed the above-referenced Contract for Traffic Pavement Marking Services, which is a proposed piggyback of Pinellas County Contract #178-0490-B(RO) with AKCA, Inc.

After a review of all the items sent to our office, and a review of Pinellas Park's bid requirements in Section 6.602 of the City's Code of Ordinances, it would appear that the Contract between Pinellas County and AKCA, Inc., was secured through a competitive bidding process which is equal to or more stringent than the competitive bidding process required by Pinellas Park City Code. The memorandum provided by the Purchasing Department confirms that they also believe this Contract may be piggybacked.

As long as the items or services that the City wishes to secure from AKCA, Inc. are substantially similar and their pricing is in accordance with the pricing provided in the Pinellas County Contract, I am of the opinion that the Contract from Pinellas County is able to be piggybacked.

The only change I note is in Article V of the Pinellas Park Construction Contract. The language should be updated to clarify the renewal options. I would recommend updating the language to read as follows:

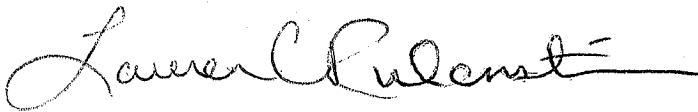

PRINTED ON RECYCLED PAPER

Mr. Dave Chase
May 16, 2019
Page 2

Both parties further agree that this **Contract is for a one (1) year contract period, with up to five (5) one-year renewal options**, upon such terms and conditions as may be mutually acceptable to both parties.

Once the above change is incorporated into the Contract, I would approve of the same as to form and correctness.

Very truly yours,

A handwritten signature in black ink, appearing to read "Lauren C. Rubenstein", with a stylized flourish at the end.

Lauren C. Rubenstein
Assistant City Attorney
