II. BACKGROUND INFORMATION

- A. **Site Area:** 19,572 square feet / 0.45 acres
- B. **Property History:**
1. **Land Use Plan or Zoning Amendments:** The property was annexed in 1999 as part of Ordinance No. 2606 and was designated as CH at that time.
 2. **Previous Permits and Development:** None
 3. **Previous Variances, Waivers:** None
 4. **Violations:** A Notice of Violation for the subject property was issued by Neighborhood Services on January 30, 2019. The notice indicated that Big Yellow Dumpster did not have a Business Tax Receipt and that all inoperative vehicles, dumpsters, and other items being stored outdoors must be removed from the property. On June 26, 2019, the property owner was ordered by the Pinellas Park Special Magistrate to remove all vehicles and outdoor storage items.

On June 27, 2019, the owner rented space on another property in the City and moved their items to that location. They also received a Business Tax Receipt allowing storage of empty dumpsters and vehicles on the rented property.

The property owner is now requesting the future land use and zoning changes so that they can legally return their dumpsters and vehicles to the subject property.

- C. **Existing Use:** Vacant
- D. **Proposed Uses:** Outside Storage of Construction Dumpsters
- E. **Current Zoning District:** "CH" Heavy Commercial
- F. **Proposed Zoning District:** "M-1" Light Industrial

1. **Zoning District Purpose / Intent:**

Section 18-1523. - "CH" HEAVY COMMERCIAL DISTRICT

Sec. 18-1523.1. - STATEMENT OF INTENT. The "CH" Heavy Commercial District is established in order to identify and provide those geographic areas within the City of Pinellas Park that are appropriate for the development and maintenance of a heavy commercial/light manufacturing and warehousing environment. This district is intended primarily for compatible retail, wholesale, distribution and light manufacturing operations, none of which require large areas for outdoor storage or display, and that do not involve the use of materials, processes, or machinery likely to cause undesirable effects upon neighboring properties, together with accessory uses and public facilities, customary to or required for such an environment.

2. **Staff Analysis:**

Outdoor storage is a permitted use in the "CH" District if the Future Land Use category is IL. However, outdoor storage is limited to an accessory use and 35% of the lot coverage. The proposed "M-1" District would allow outdoor storage as a principal use. To rezone to "M-1", the Future Land Use category must be IL.

Staff finds that the proposed "M-1" Zoning District is consistent with several properties to the west of the subject property across U.S. Highway 19 and to the north of the subject property across 126th Avenue. The proposed "M-1" Zoning would also be compatible with abutting properties, which are zoned "CH" and have been developed with fairly intensive uses. As such, staff finds the proposed rezoning to "M-1" would be appropriate if the Future Land Use is also changed to "IL".

- G. **Current Future Land Use:** Commercial General (CG)
- H. **Proposed Future Land Use:** Industrial Limited (IL)

1. **Land Use Purpose / Intent:**

It is the purpose of this category to depict those areas of the City that are now developed, or appropriate to be developed, in a limited industrial manner; and so as to encourage the reservation and use of consolidated areas for industrial and industrial/mixed use in a manner and location consistent with surrounding use, transportation facilities, and natural resource characteristics.

2. **Key Standards:**

Primary Uses - Office; Research/Development; Light Manufacturing/Assembly (Class A) and (Class B); Wholesale/Distribution (Class A) and (Class B); Storage/Warehouse (Class A) and (Class B).

Secondary Uses - Residential (limited to locations in Gateway Centre developed prior to August 7, 2015, pursuant to Section 2.3.3.14(E) of the Countywide Plan Rules (2018); Retail Commercial; Personal Service/Office Support; Commercial/Business Service; Commercial Recreation; Temporary Lodging; Institutional; Transportation/Utility; Recreation/Open Space; Transfer/Recycling; Incinerator Facility; Agricultural.

Density/Intensity - Temporary Lodging Use – Shall not exceed: (1) fifty (50) units per acre; or (2) in the alternative, upon adoption of an approved Development Agreement and local comprehensive plan

amendment, the alternative densities set forth in Table I.C. at the end of this section, consistent with Section 5.2.1.3 of the Countywide Plan Rules (2018).

All Other Uses – Shall not exceed a floor area ratio (FAR) of .65 nor an impervious surface ratio (ISR) of .85, except as provided for in the Countywide Plan Rules (2018). The standard for the purpose of establishing relative intensity and potential impacts shall be a FAR of .39 and an ISR of .65.

3. Staff Analysis:

The proposed use, outdoor storage, is a primary use in the IL Future Land Use category. The applicant is not proposing to increase the current FAR or ISR on the property. The proposed rezoning to "M-1" requires the Future Land Use category to be IL.

The proposed IL Future Land Use category is consistent with the abutting property to the south and functionally abutting properties to the west of the subject property. As such, staff finds that the proposed change in Future Land Use to IL would be appropriate.

I. **Flood Zone:** The property is located in Flood Zones X, which is a low-risk flood zone, and X-Shaded, which is a moderate-risk flood zone.

J. **Evacuation Zone:** This property is in Evacuation Zone B, which is the second level to evacuate in preparation for a storm. Zone B is evacuated when storm surge height is predicted to be up to 15 feet.

K. **Vicinity Characteristics:**

	Zoning	Land Use	Existing Use
North	CH	CG	Proturf Landscapes
South	CH	IL	Vacant
East	CH	IL/CG	Vacant, Proturf Landscapes
West	M-1/CH	IL	Forty Millimeter Screen Printing, Butterfly Lodge Motel

III. APPLICABLE CRITERIA / CONSIDERATIONS

A. Comprehensive Plan Policies:

1. Relevant Policies:

OBJECTIVE T.1.7

Facilitate the effective movement of goods in the City of Pinellas Park.

POLICY T.1.7.1

Coordinate with Pinellas County to identify roadways for truck movements in the Transportation Element.

OBJECTIVE LU.1.16

Continue to provide for site plan review of all industrial development.

POLICY LU.1.16.1

Maintain a sufficient supply of industrial land with a minimum of adverse effects on abutting properties.

POLICY LU.1.16.3

Industrial uses shall be concentrated in suitable existing locations to prevent a spread of negative effects on the community.

POLICY LU.1.16.4

Industrial development shall be separated from adjacent incompatible uses, and from residential uses permitted under special area plans, by transition zones, landscaping, parks, open space, or other buffering areas, for the mutual protection of industrial and non-industrial land uses.

2. Staff Analysis:

Under the current zoning of Heavy Commercial and Future Land Use of Commercial General, outdoor storage is not a permitted use. In response to code enforcement actions, the outdoor storage of construction dumpsters has relocated. If the request is approved, the outdoor storage could return to the site as a conforming use.

The site is surrounded by properties zoned Heavy Commercial and Light Industrial with Future Land Use designations of Commercial General and Industrial Limited, which is one step to the next level of intensity in the City's land use categories. The site is generally surrounded by high intensity commercial, light industrial and some heavy industrial. The nearest residential uses are an RV park located across US 19 and manufactured home communities about a quarter mile away. The site is located on a truck route identified by Forward Pinellas. Staff finds that the proposed request is consistent with the Comprehensive Plan.

B. Land Development Code Standards:

1. Key Standards:

- Sec. 18-1539.3. - REVIEW CRITERIA.
- (A) For amendments to Article 15, the Planning and Zoning Commission and City Council shall be guided by the requirement that the amendment be consistent with the Comprehensive Plan.
- (B) For map amendments, the Planning and Zoning Commission and City Council shall be guided by the following considerations:
1. Whether the available uses to which the property may be put are appropriate to the property under accepted planning practices in question and compatible with existing land uses and planned uses in the area.
 2. Whether the numerical and dimensional development requirements which govern the development of the property will sufficiently safeguard the integrity and character of the area.
 3. Whether the amendment will constitute a grant of special privilege to an individual owner.
 4. Whether there are adequate provisions for water supply and treatment, sanitary sewer collection, transmission and treatment, drainage, and solid waste collection and disposal within the service area involved.
 5. Whether there are adequate provisions for traffic movement and safety, both vehicular and pedestrian, in the area.
 6. Whether there are adequate provisions for schools, parks, and mass transit within the service area involved.
 7. Whether the district boundaries are appropriately drawn with due regard to locations and classifications of streets, ownership lines, and existing improvements, or whether there is another error or ambiguity that must be corrected.
 8. Whether changed or changing conditions make the adoption of the proposed amendment necessary or appropriate, including but not limited to, substantial reasons that the property cannot be used in accordance with the existing zoning.
 9. Whether the amendment will be likely to have an adverse effect on the existing natural environment and natural resources.
 10. Whether the proposed amendment is consistent with the Comprehensive Plan and, if applicable, the Community Redevelopment Plan.

2. **Staff Analysis:**

This Staff Report is being prepared for the City Council under their authority to amend the Future Land Use Map of the Comprehensive Plan and the Official Zoning Map based on the application by the property owner with proper public notice for the public hearings required by these sections.

The Code requires amendments to the Future Land Use Map to be consistent with the Goals, Objectives, and Policies of the Comprehensive Plan. Staff finds that the proposed amendment is consistent, as provided above.

For amendments to the Official Zoning Map, the code provides a list of criteria to guide the City Council's decision. Staff finds the following concerning those criteria:

1. The proposed map amendments are compatible with the existing and planned uses in the area;
2. The proposed use of the property will comply with the requirements of the zoning district;
3. There is no special privilege to be granted;
4. This was a previously occupied site and the City of Pinellas Park Public Works Department has expressed no concerns over the availability of services for the proposed use;
5. The site has direct access to US Highway 19 and easy access for trucks returning from the landfill on 28th Street via 118th Avenue in an area with minimal pedestrian activity;
6. Schools and parks are not required for light industrial uses, but mass transit is available along US Highway 19 as well as Bryan Dairy/118th Avenue;
7. The district boundaries are appropriate;
8. Access to the property is limited for customer based retail and services uses permitted within the existing Heavy Commercial zoning district where primarily employee based traffic of light industrial uses is more appropriate;
9. The site is not located within designated wetland areas; and,
10. Staff finds that the proposed request is consistent with the Comprehensive Plan.

C. **Essential Services Review:**

The requested Future Land Use Map and Zoning Map amendments have been reviewed by all relevant departments/divisions. No negative concerns were raised with regard to the proposed amendments.

IV. **SUMMARY**

A. **Findings:**

Based on the information and analysis contained in this report, staff finds as follows:

1. The subject property is 0.45 acres in size and located along US Highway 19 south of 126th Avenue;
2. The subject property is currently zoned "CH" Heavy Commercial with a Future Land Use designation of Commercial General (CG);
3. The applicant is requesting to amend the Official Zoning Map and Future Land Use Map to "M-1" Light Industrial and Industrial Limited (IL) respectively; and,
4. The requested map amendments are consistent with the Goals, Objectives, and Policies of the adopted Comprehensive Plan as well as the regulations of the Land Development Code.

B. **Staff Recommendation:**

Consistent with the above findings, staff recommends **APPROVAL** of case numbers LUPA 2019-2 and Z 2019-3.

RE: City Document #19-315
Ordinance for LUPA 2019-2, Big Yellow Dumpster

Dear Ms. Lindquist:

I have received and reviewed the above-referenced Ordinance. I note that there should be a comma in the title of the Ordinance in the fifth line between the words "US HIGHWAY 19" and "APPROXIMATELY 200 FEET SOUTH OF 126th AVENUE."

Once the above change is made, and assuming the legal description in Exhibit A is correct, I would approve of the Ordinance as to form and correctness.

Very truly yours,

James W. Denhardt
City Attorney
