Hello!

I have a bit of bad news for the board: We are moving to Gulfport, so I won't be eligible to be on the library board any longer. This was a sudden thing as we hadn't been actively looking to move or I'd have given the board a little warning -- literally, we saw a cute place down there on Saturday, called and took a look yesterday, signed the lease today, and we take possession tomorrow). Not sure how stringent the residency requirement is to be on the board so I'm happy to be flexible especially as we will be doing a somewhat leisurely move over the next two or three weeks rather than all at once.

Milton

Will you by chance still own property in Pinellas Park?

Nope. We don't own any now either.

So sad! We can let things ride until your lease is up here in the park . . . I'm guessing that'll be the end of the month or maybe January if we're lucky?

Yes, the lease ends at the end of December... 😊
