RE: City Document #20-258
Annual Resurfacing Hillsborough County Piggyback Contract

Dear Mr. Arrison:

I have received and reviewed the above-referenced Contract, which is proposed to be a piggyback of Hillsborough County Bid/Contract #17182:229757 with Ajax Paving Industries of Florida LLC.

After review of all the items sent to our office, and a review of Pinellas Park's bid requirements in Section 2-602 of the City's Code of Ordinances, it would appear that the Contract between Hillsborough County and Ajax Paving Industries of Florida LLC, was secured through a competitive bidding process which is equal to or more stringent than the competitive bidding process required by Pinellas Park City Code. The memorandum provided by the Purchasing Department confirms they also believe this Contract may be piggybacked at this time.

As long as the items or services that the City wishes to secure from Ajax Paving Industries of Florida LLC, are substantially similar and their pricing is in accordance with the pricing provided in the Hillsborough County Contract, I am of the opinion that the Contract from

Hillsborough County is able to be piggybacked. I would approve of the proposed City of Pinellas Park Contract documents as to form and correctness.
