**RE: City Document #20-290**  
**City of Tampa Piggyback - 76th Ave. & 46th St. Pond Dredging**

Dear Mr. Petersen:

I have received and reviewed the above-referenced Contract for 76th Avenue and 46th Street Pond Dredging, which is a proposed piggyback of City of Tampa's Contract with Waterfront Property Services, LLC dba Gator Dredging. I have also received and reviewed the pricing confirmation letter provided by Waterfront Property Services, LLC, and the Purchasing Director's approval to piggyback such Contract.

After a review of all of the items sent to our office, and a review of Pinellas Park's bid requirements in Section 2.602 of the City's Code of Ordinances, it would appear that the Contract between the City of Tampa and Waterfront Property Services, LLC, was secured by a competitive bidding process that is equal to or more stringent than the competitive bidding process required by the City of Pinellas Park Code.

I would approve of the Contract as to form and correctness.

Very truly yours,

James W. Denhardt  
City Attorney
