RE: City Document #21-049
Utility Easement at 6801 Park Blvd.

Dear Mr. Petersen:

We have received and reviewed the above-mentioned Utility Easement. We note that the Division of Corporations website states that Tosca, Inc. is an inactive Corporation which was administratively dissolved for not filing an Annual Report on September 25, 2020. Before the City can accept the above-mentioned Easement from Tosca, Inc., the Corporation will need to be reinstated with the State of Florida Division of Corporations. Our office would recommend obtaining a Certificate of Status from the Corporation, which they can order directly from the Division of Corporations, to keep with its records demonstrating that the Corporation is an active and valid Corporation in existence at the time of execution of such Utility Easement.

Once the Corporation has been reinstated, the signature block will need to be updated to reflect Gabriel A. Decandido's title as President of the Corporation (assuming that is still her title at the time of execution). If you have any questions, please do not hesitate to give our office a call.

Very truly yours,

Lauren C. Rubenstein
Assistant City Attorney
