### FIRST AND FINAL READING

NOTE: The City began a curbside recycling program in October 1989 for residential customers. Due to the efforts of the community, the avoided disposal fee savings has resulted in a twelve-month credit of approximately \$70,166.00. This amount is to be refunded to residential customers as a credit of approximately \$4.00 per customer, which is to be applied to their utility account. This refund will be charged to account number 001-259911.
