**RESOLUTION NO. 19-11. A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PINELLAS PARK, PINELLAS COUNTY, FLORIDA ESTABLISHING THE POLICY OF THE CITY OF PINELLAS PARK TO APPLY A “HEALTH IN ALL POLICIES” APPROACH TO THE CITY’S DECISION-MAKING, INCLUDING POLICY DEVELOPMENT AND IMPLEMENTATION, BUDGETING AND SERVICE DELIVERY; SUPPORTING THE DECISION TO HIRE A HEALTH PLANNER TO IMPLEMENT HEALTH IMPACT ASSESSMENTS TO ENSURE THAT PROJECTS ARE EVALUATED BASED ON THEIR HEALTH IMPLICATIONS IN ADDITION TO TRADITIONAL METRICS; PROVIDING FOR AN EFFECTIVE DATE**

### **FIRST AND FINAL READING**

NOTE: The Health in All Policies framework encourages local governments to acknowledge and act upon the fact that resources and policies related to food access, housing, transportation, safety, education, land use, air and water quality, criminal justice, and economic development have a direct impact on health and are sometimes unequally distributed among populations. The Florida Department of Health - Pinellas County and its partners are looking to transform local policymaking by bringing a “Health in All Policies Approach” across government and community sectors. Adopting this framework will help leaders recognize the health consequences of different policy options prior to implementation.

ACTION: (Adopt - Deny) Resolution No. 19-11.
